In the months of April through July, we are profiling the 18 Ursuline Sisters who are celebrating their Jubilees this year. You've met sisters who have ministered in the classroom, in hospitals, with poor, and in Peru. For our final article in the jubilee series for 2010, we'll introduce you to the five sisters who are celebrating their Diamond Jubilee – 75 years of service to God and others. That translates into a combined time in service of 375 years! It's no small feat and each of these sisters is examples of what it means to “teach Christian Living.”
