

## **Associate Covenant Ceremony**

LOUISVILLE, Ky (July 29, 2009) - The Ursuline Associates now have five new members following a special ceremony at the Motherhouse Chapel. Ursuline Sisters, Associates and friends and family attended a Covenant Ceremony on Tuesday, July 28.

The crowd of more than eighty people watched as Betty Brooks, Denise and Grover Corey, Colette Dumstorf, and Geneva Meehan signed their first covenants. Their companions, whether an Ursuline Sister or another associate, were with each of them as they signed their new covenants and will help guide the new associates through their spiritual journey.

Nineteen other associates renewed their covenants, continuing their journey with the sisters. "I am changed by the opportunity and commitment to journey with you," said Sister Lynn Jarrell, president of the Ursuline Sisters of Louisville. "All of us are interdependent on each other. We are bound...in love, in vocation, and in our wanting to be peaceful and fulfilled. God is with us; God is within us."
