

Derby Parade Delayed

LOUISVILLE, Ky (May 22, 2009) - The schools' annual derby parade was moved to May 22 due to rain, and mother nature made up for the stormy weather with a hot, sunshiny day. The youngest of the the campus' students paraded across parts of campus and in front of Marian Home, waving to the Sisters gathered out front. Some even brought roses and gave one to every Sister who was outside cheering the students.
