

Community Days: Dinner at Marian Home

LOUISVILLE, Ky (July 29, 2009) - Marian Home staff hosted a special community dinner as part of the annual Community Days celebrated by the Ursuline Sisters. Following a special Covenant Ceremony for the Ursuline Associates at the Motherhouse Chapel, the crowd arrived at Marian Home for the dinner.

The dining room overflowed with sisters, associates, friends, family, and staff. A buffett was set up in the solarium so everyone could choose what they'd like. There was plenty of good cheer and great food. From the smiles on everyone's faces, you could tell the Marian Home staff did a fantastic job!
